BREAKING NEWS ABOUT COMMUNITY MENTAL HEALTH IN NEW YORK

Coalition Meeting on Child and Family Clinic Plus CANCELLED

We have been informed by legal counsel that holding a meeting of prospective bidders for the Child and Family Clinic Plus RFP is a potential violation of the New York State Procurement Law. Consequently, The Coalition will not hold the meeting referenced in the August 24, 2006 Briefs.

Please submit your questions and concerns regarding the Child and Family Clinic Plus procurement to Susan Reilly who is the sole point of contact. You may e-mail her at cocccsr@omh.state.ny.us or fax to 518-402-2529.
