On the morning of May 11, 2010 at the

The New York Academy of Medicine
Located at 1216 Fifth Avenue New York, NY 10029.

Please join us for an informative symposium highlighting the health burden of excessive alcohol use and evidence-based strategies to reduce these harms.

Learn from national experts about the effectiveness of these strategies and their benefit to public health.

Please stay to attend an optional working lunch after morning presentations, for an interactive discussion on future efforts in New York led by the New York Center for Alcohol Policy Solutions.

A detailed program with exact times and directions will soon follow.

Refreshments will be served.
