15

- In addition to Psychiatrists, NPP, RN, Psychologist and licensed Social Work
- Under the new “scope of practice laws”, in 2002:
 - Established four new types of mental health practitioners
- Exemption for OMH licensed or funded providers expires on July 1, 2013

Treatment Planning (599.10)

16

- **Plans and updates** should include, as appropriate, the input and signatures of relevant staff, the recipient, family members and collaterals
- They ***must*** include the signature of one of the following:
 - **Medicaid fee-for-service**
 - ✦ Only signed by a psychiatrist or other physician.
 - **3rd party insurance**
 - ✦ If prescribing psychotropic medication
 - a psychiatrist, physician or nurse practitioner in psychiatry.
 - ✦ For those who do not receive psychotropic medication
 - a psychiatrist, other physician, licensed psychologist, nurse practitioner in psychiatry, or licensed clinical social worker.

Part 599 Staffing

17

- Professional staff ratios under 587-588 – gone
- Moving toward licensed staffing – July 1, 2013
- OMH Staffing waiver authority
- SED workgroup to review scopes of practice

Medicaid Reimbursement During Exemption

18

- Students, peers, family advisors & non-licensed staff will continue to be reimbursed by Medicaid.
- For all agencies that participate in the **uncompensated care pool**, after year 1 of implementation, visits must be provided by licensed staff to be reimbursed.
- After July 1, 2013, all services must be delivered by licensed staff with the exception of outreach.

Staffing Patterns

19

- As noted in Part 599.9, providers must have:
 - **staffing patterns which allow for the appropriate provision of all services and**
 - **are likely to meet the objectives of the clinic treatment program.**

- Staff should only provide services which are within their:
 - **scope of practice**
 - **level of competence**

Staffing Patterns

20

Provider Responsibilities:

- To maintain an appropriate and effective complement of licensed staff (by numbers, expertise, etc.)
- To assess and respond to staff supervision and training needs

Assessed by Standards of Care Anchor Elements and the findings of Licensing and Monitoring Visits

Staffing Patterns

21

- To verify the credentials and qualifications of staff
 - <http://www.op.nysed.gov/opsearches.htm>
 - <http://officeofprofessions.custhelp.com>
- Foreign degrees
 - Equivalency assessment:
 - <http://www.cs.state.ny.us/jobseeker/degrees.cfm>
 - International credentials for licensure:
 - <http://www.op.nysed.gov/prof/translations.htm>

Staffing Policies

22

- **Clinic policies shall ensure compliance:**
 - **with the requirement for criminal history record checks**
 - ✦ **Exception for Article 28 DOH licensed hospitals**
 - **for screening by the New York State Central Register of Child Abuse and Maltreatment for persons who have the potential for regular and unsupervised or unrestricted contact with children, and for appropriate consideration and confidentiality of such information**

Staffing - Policies

23

- Clinics need policies regarding the employment, supervision of peer and family advisors
- Policies for selection, supervision, and conduct of students (and volunteers)
- Policies regarding nurse practitioners and physician assistants
 - Such policies shall ensure that physician assistants have responsibilities related to physical health only.

599 Staff Approval/Waiver Requests

24

Submit to Field Office with documentation of:

- **describe need for approval/waiver**
- **job description, including supervision arrangements**
- **qualifications of candidate**
- **evidence of license/certification**

Need for continued waivers will be reviewed as part of the license renewal process

501 Waiver Requests

25

- **Purpose:** Allows for relief from specific regulations and allows innovative program design
- **Process**
 - Instructions and Form on OMH Website
 - ✦ Regulation to be waived
 - ✦ Circumstances, need
 - ✦ How benefit individual(s) served
 - ✦ Arrangement and qualifications
 - ✦ Requires review by County LGU & Field Office
 - ✦ Submit to OMH

Staffing Supervision

26

- The Clinic Standards of Care identify the importance of regular guidance and oversight for all staff in order to assist them in responding to both the ongoing and emergent needs of individuals served.

Professional Supervision

- In all instances a clinic is expected to employ and designate an adequate number of licensed staff who, by their training and experience, are qualified to provide clinical supervision and programmatic direction

Staffing Supervision

27

- **Supervisors:** Such individuals should be identified in the staffing plan and documentation of the lines of supervisory responsibility should be maintained by the clinic
- When staff provide services under the NY SED exemption, it is especially critical that regular and appropriate supervision is provided and documented
- Arrangements which will assist these staff to meet licensure eligibility requirements must be considered.

Transition to 599 Staffing

28

- Clinics are required to develop a transition plan that addresses non-licensed staff and the plan to meet 599 Regulations (incl. foreign degree staff)
- Clinics that continue to employ non-licensed staff to provide clinical services under the NYSED exemption will need to demonstrate full compliance with Part 599 staffing standards by July 1, 2013
- **Clinics are not expected to add additional non-licensed staff to provide psychotherapy services under the SED exemption**

Transition to 599 Staffing

29

Transitional Staffing Plan needs to include:

- **Appropriate roles for non-licensed staff**
- **Supervision plan for non-licensed staff**
- **Efforts to transition non-licensed staff to licensed staff, or permit holders**
- **Address staff vacancies with staff that meet licensing requirements**
- **Plan to transition supervisory responsibility to licensed staff**

Clinic Licensing Transition

30

- **Seamless and simplified process**
- **Part 599 regulations effective October 1, 2010 and replaces previous regulations**
- **Current Operating Certificate remains valid except for Part 587 Additional and Optional services**
- **Child and Family Clinic Plus designation continues**
